1940 SPRING PRICES

All bulbs are guaranteed to be true to name and free from any harmful disease. Bulbs proving otherwise we will cheerfully replace or return your money. In other words, you must be satisfied.

MAIL ORDERS

Orders from this list will be mailed anywhere in the United States, postage paid. However, we do not solicit orders for less than \$2.00 to be delivered postage paid.

SUBSTITUTIONS

We make no substitutions of one variety for another unless we are asked to do so by the buyer. However, we will use the next size smaller of the same variety if out of size ordered unless advised not to. It is advisable to make a second choice on late orders.

Visitors to our gardens while gladiolus were in bloom may have made note of certain varieties which are not listed in this price list. This is on account of stock not being sufficient in quantity to list. Ask about them when ordering and we can, no doubt, supply them at listed prices of other reliable growers.
